Introduction

What is *Oxford Word Skills*?

Oxford Word Skills is a series of three books for students to learn and practise new vocabulary.

Level 1:
elementary (CEFR levels A1 and A2)

Level 2:
intermediate (CEFR level B1)

Level 3:
upper-intermediate – advanced
(CEFR levels B2 and C1)

There are over 2,000 new words or phrases in each level and all of the material can be used in the classroom or for self-study.

How are the books organized?

Each level contains 100 units of vocabulary presentation and practice, with a unit being 1–2 pages, depending on the size of the topic. New vocabulary is presented in manageable chunks, then immediately followed up with practice exercises, usually on the same page.

The units are grouped within modules containing 3–12 units each. A majority of the modules are topic-based, e.g. Feelings and emotions, Geography, Air travel, but some modules have a language focus, e.g. Prepositional phrases, Using verbs with reflexive pronouns, Phrasal verbs.

At the front of the Intermediate level you will find:

- a list of all the 'spotlight' boxes

At the back of the Intermediate level you will find:

- a list of vocabulary-building tables
- a list of common irregular verbs
- an Answer key for all the exercises
- a Word list of all the vocabulary taught with a reference to the units where each item appears and the CEFR level for words/phrases in the Oxford 3000™/5000™ or Oxford Phrase List™.

Oxford Word Skills comes with the *Oxford Advanced Learner's Dictionary* app, which allows learners to find the meaning of new words in English and provides a pronunciation model for the words. You will find pronunciation exercises throughout the book which refer you to the  to check the correct pronunciation.
