*A note to the reader—*

A classic story rests in your hands. The characters are famous. The tale is timeless.

This Great Classic for Children by Dalmatian Press has been carefully condensed and adapted from the original version (which you really *must* read when you're ready for every detail). We kept the well-known phrases for you. We kept the author's style. And we kept the important imagery and heart of the tale.

Literature is terrific fun! It encourages you to think. It helps you dream. It is full of heroes and villains, suspense and humor, adventure and wonder, and new ideas. It introduces you to writers who reach out across time to say: "Do you want to hear a story I wrote?"

Curl up and enjoy.
