About the book:

- The book that you are currently holding is the first ever book including sample answers in all three parts of the IELTS Interview.
- The book contains approximately 90 sample answers in Part 1, 20 sample answers in Part 2 and over 200 sample answers in Part 3 of the speaking test.
- The book comes with the audio CD which includes all the sample questions and answers carefully read by the authors.
- The audio CD also contains numerous interviews of IELTS candidates on the day before the interview along with the band scores they achieved.
- The book was written using The Oxford Dictionary of Collocations and includes the most appropriate topical words and collocations required to achieve your maximum band score.
- The topics in all the three parts of the IELTS interview are recommended by IELTS examiners throughout the world.
- The sample answers contain the most standard ideas to present in the real IELTS Interview.
- The sample answers observe the rules of the spoken English and are prepared in an elegant and intellectual style.
- The sample answers can simply obtain a band score of 9 in the real IELTS Interview.
