## **Remarks of the great Founder of IR Imam Khomeini in the Airforce Personnel:**

1979/04/24

### **In the name of God, the Compassioned the Merciful**

*Nowadays you, in the Air force, are heavenly Islamic forces. You support Islam and Islam supports you; nation supports you. .... Establish Islamic government, Islamic Republic, and Islamic justice. It helps all persons and nations to enjoy independence, freedom welfare. ... It is the will of God that the oppressed conquer oppressors. They have conquered and will do so. ... Air force is a divine force.*

**Remarks of the IRI Supreme Leader in the Air  
University of Shahid Sattari:**

2002/12/25

**In the name of God, the Compassioned the Merciful**

*Islamic Republic of Iran's Air Force is a glorious and beautiful set; it's a combination of militarism, knowledge, technology, courage and art. For these obvious reasons, the image of Islamic Republic of Iran Air Force during the holy defense has always been a beaming and honorable in the eyes of the nation. The martyrs of this Force who lost their lives -among the most invaluable lives- in defense for the dear homeland and Islamic Revolution are bright stars attracting the eyes and hearts to the IRIAF.*

## **PREFACE:**

### **IN THE NAME OF GOD**

*This book is compiled for those students and scholars who are seeking information in the field of airpower in English Language. Contributing to increase the knowledge of researchers, the author has decided to gather a variety of information in order to compile this book under the topic of "Aerospace & Asymmetric Warfare".*

*It is hoped that this book be helpful for the eager, seeking information in the above-mentioned field.*

*Dr.Hamid-Mohammad.Hosseini*
